Everything Environmental Express Range

We require artwork in a vector format, converted to outlines. Please advise which pantones references are required. Straplines stating the product material will not be added to express orders. If this is required please add it to the artwork before supplying your file. Or if you would like us to add an eco friendly strapline to your artwork, please let us know.

We will proceed to print with the proof we have sent you*.

We will send you an artwork proof with all express orders. This is to show what we are going to print. You are **not** required to send this back to us for approval.

*However if any changes are required please notify us within **30 minutes**. If we do not hear back from you within 30 minutes of sending the proof then we will proceed to print with your order. No liability will be accepted for incorrectly printed good if we do not hear back from you about amendments within 30 minutes.

**All orders must be placed before 11am
1 colour print only**

**Please send all express orders to:
